Dear Mr. Olivas:

This letter is to express our sincere appreciation for the excellent performance and on time delivery of the clad tubesheets by your company and Regal Technology on the referenced order.

The Titanium Gr.7 clad tubesheets on this order arrived early. We had required delivery into our shop in three (3) weeks. Your two (2) week deliveries enabled us to complete this project early and to maintain our excellent relationship with our valued customer.

Once again we greatly appreciate the manner in which this order was handled and look forward to working with Clad Metal Products Inc. on the future jobs.

With regards,
