Dear Sir,

We are appreciated for your outstanding performance on the above project.
All plates arrived at our shop in earlier more than originally promised.

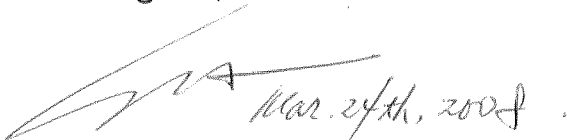

As requested, we were given weekly updates on status of this order. Also, we thanks to
DMC to do your best to improve the delivery.

The quality of plates from your company is the highest grade so our project is on going
without any fault of quality.

Again, thanks you for coming through for us when we need you and for the manner in
which you handled this order.

We look forward to working with you on future orders.

Best Regards,
